

## Flair

Shown: Flair 323LP

Who says economical solutions can't come with quality? The Flair includes quality features like an incandescent built-in top light, stainless steel trim and an on-off switch. It's a self-contained, economical solution to bathroom storage and lighting necessity.

## Ensign

Shown: Ensign 124LP

Originally designed for Navy barracks, the Ensign is functional utility, pure and simple. It features stainless steel trim and a built-in incandescent top light, sliding doors, a convenient grounded outlet and an integral on-off switch. Easy to install and use, it will help you keep everything ship-shape.

Model Number	Frame Type	Door Type	Mirror Shape	Overall Size		
				w	h	d
<b>Flair Surface Mount with Built-In Top Light</b>						
323LP	Stainless	Slider	Rectangle	24	19½	7½
327LP	Stainless	Slider	Rectangle	28	19½	7½
<b>Ensign Surface Mount with Built-In Top Light</b>						
124LP	Stainless	Slider	Rectangle	24	23½	8¼
128LP	Stainless	Slider	Rectangle	28	23½	8¼

Note: All measurements are in inches.  
Stainless = Stainless steel.
