

3X3™ DOUBLE-SIDED RECIPROCATING SAW BLADES

3X3™ DOUBLE-SIDED SAW BLADES

Blades Cut in Any Direction.

- Double-edged blade cuts without needing to flip the saw over.
- Rounded tip plunge cuts with ease.
- Lasts 2x longer than conventional single sided blades.
- Cuts wood, pipe, sheet metal, plastic, fiberglass, and more.
- Shatter-resistant 8% cobalt Bi-Metal blade.
- Cost effective - 2 blades for the price of one!
- Made in Germany.
