TRADESMAN PRO™

Rolling Tool Backpack

- Converts from a backpack to a rolling tool bag by extending the telescoping handle and stowing the shoulder straps behind the back padding
- Telescoping handle positioned on sides of bag for stability when maneuvering around corners
- Water-resistant 1680d ballistic weave material
- Attach Klein Tools headlamps (not included) to headlamp bracket to illuminate bag's interior or work area
- Hard molded front pocket helps protect phones and safety glasses
- 3" heavy-duty wheels transport tools over various terrain
