Smart Security at Every Corner

Protect every corner of your home with Spotlight Cam Battery, a versatile wire-free HD security camera that lets you see, hear and speak to anyone on your property from your phone, tablet and PC.

Brilliant 1080HD video
Wide-angle camera lens
Built-in microphone and speakers

Always Know Who's There

Adjustable motion sensors let you get the ideal setting for you and your home. With instant motion-activated alerts, you'll always be the first to know when there's someone on your property.

Advanced motion detection
Adjustable motion zones and scheduling
Instant motion-activated alerts

Stop Crime in Its Tracks

A built-in spotlight gives you crisp video around the clock, and night vision has you covered, even with the lights off. For added security, there's a 110-decibel alarm to help you scare off intruders.

Motion-activated spotlight
Infrared night vision
110-decibel siren alarm

Superior Security and Convenience

With an adjustable mount and wire-free design, Spotlight Cam Battery installs in any location. The quick-release rechargeable battery pack lets you easily charge your Cam without moving the device.
