## Home Security in Your Hands

Protect and monitor your home with Spotlight Cam Wired, a plugged-in HD security camera that lets you see, hear and speak to anyone on your property from your phone, tablet and PC.

Brilliant 1080HD video  
Wide-angle camera lens  
Built-in microphone and speakers

## Never Miss a Thing

Create and customize your own motion zones, so you can focus on the most important areas of your yard. When motion is detected, you'll get an instant alert to let you know someone's at your home.

Advanced motion detection  
Custom motion zones and scheduling  
Instant motion-activated alerts

## Stop Crime Before It Happens

With built-in spotlights and night vision, you'll get crisp video 24/7, with or without the lights on. And if you catch a suspicious stranger at your home, use the 110-decibel alarm to scare them away.

Spotlights are motion-activated or controlled with the app  
Infrared night vision sensors  
110-decibel siren alarm

## Non-Stop Power and Security

Spotlight Cam Wired plugs into standard power outlets to give you non-stop power, so you'll never need to charge a battery. It also comes with everything you need to get your Cam setup in just minutes.

Plug-and-play, Live View on-demand video and audio  
iOS, Android, Mac and Windows 10 compatible
