

DLS4

600 Lumen

Surface Mount LED Downlight

Product Description

The DLS4 from NICOR® is the perfect LED downlight for surface mount applications. With the DLS all that is required for installation is a 4/0 J-box. If there is already a housing in place, don't fret - the DLS is versatile enough for use in most 4" recessed housings. Upgrading to energy efficient LED lighting has never been easier, or more affordable. The DLS is dimmable to 10%, suitable for use in wet locations, and available in 2700K, 3000K, or 4000K color temperatures. The NICOR DLS provides superior efficacy and a longer life than compact fluorescents, with the pleasant light quality you expect from an incandescent lamp.

Construction

Die cast aluminum trim routes heat away from electrical components
Low profile, integrated driver, allows for surface mount installation of 4/0 J-box

Optical System

White polycarbonate diffuser eliminates hot spots creating a pleasantly uniform light distribution

Electrical

Utilizes high performing Nichia® brand LEDs with greater than 95 CRI and an R9 greater than 65
Dimmable to 10% with most standard dimmers
Thermally protected, high efficiency driver
Operating temperature rating of 0°F to 120°F (-18°C to 49°C)
Input voltage of 120V
Lifetime rated for greater than 50,000 hours
LM79, LM-80 testing performed in accordance with IESNA standards

Finish

Exterior white powder coat finish

Installation

Compatible with most 4" recessed housings
Easy installation with snap-in mounting bracket over a plastic or metal 4/0 J-box

Warranty

5-year limited system warranty standard

PRODUCT INFORMATION

LED Type:	Nichia®
LED Lifetime (Hrs):	50,000
Input Voltage (V)	120V
Power Draw (W)	9.8W
Fixture Height	2in (51 mm)
Trim Width:	5in (127 mm)
