Price: \$190 USD \$217 CAD

- Use the product samples to install/use Caséta in your own home, so you can speak to its benefits firsthand
- Install the samples in one of your best customer's homes and have a showcase event for other customers, friends, and family
- Use the selling aid as a reference tool before your call and as a customer selling tool
- Add your contact info to the back of the takeaways—then leave one with your customer after a service call or visit, include one with your invoice, or mail to your top 25 customers

Kit includes:

- Smart Bridge PRO
- In-wall dimmer PRO with Claro wallplate
- Pico remote
- Selling aid
- “How to use this kit” instruction sheet
