

Stock #: G19281-3/4**Product Description:**

1-7/8" deep handy utility boxes with (7) 3/4" knockouts are used for convenience outlets, switches and small junction boxes in exposed work applications. They are great for appliances and machinery. Garvin Industries' handy utility boxes have a small, rectangular design that allow for power outlets and switches to be installed in small places. They can easily be customized with special holes or knockouts for OEM applications.
