

GROUNDING BUSBARS

Item	Description	List Price
GB1-12	1"x 12" x 1/4"	\$52.00
GB2-12	2"x 12" x 1/4"	64.00
GB4-12	4"x 12" x 1/4"	84.00
GB4-24	4"x 24" x 1/4"	168.00

Our new Grounding Busbars are insulated ground bus mounting plates. The type 110 alloy solid copper ground bars are 1/4" thick and stand 2-1/2" from the backboard or wall. The 12" accepts 9 lugs and the 24" accepts 21 lugs. Accepting lugs with either 3/4", 1" or 1-3/4" centers. Any lug with 3/8" bolts may be used.

Each BUSBAR consists of:

- | | |
|----------------------------------|--------------------------------------|
| 1 - Busbar | 4 - (4) Stainless Steel Bolts |
| 2 - (2) Insulators | 5 - (4) Lock Washers |
| 3 - (2) Standoff Brackets | 6 - (4) Flat Washers |
