

50W/80W

Area Light (Tri-Color Mini)

Available in
Custom Finish

Available now in tri-color and custom color finishes, light up your outdoor area with the EnVision Bolt Series; Area Light Mini fixtures with high lumen per watt efficacy combined with a stunning finish. The Mini BOLT series are available in a trunnion, 1/2" knuckle, straight arm and slip fitter mounting brackets. The EnVision area flood lights are equipped with a diecast aluminum housing, finished with a matte bronze power paint (or custom finish), and anti-corrosion priming. Enjoy lighting up your outdoor area with over 115lm/w+ efficiency.

15W -KN

30W -TR

Applications:

- General outdoor lighting
- Landscape lighting
- Pathways, streets, loading areas, etc.

Detail Specifications:

- Average life (L70) of 70,000 hours with the integration of Philips Lumileds 3030 chips
- Operating temperature -4 -- + 114 F°
- PF >0.9 / Input: .85A/ Output: 36-66V DC

Product Information:

- Sturdy die-cast aluminum housing finished with corrosion free powder coat
- Suitable for wet location, professionally waterproofed IP67
- Type II optics standard / Type III & IV by request
- 1.5 Ft power cable cord connected to every fixture
- 5 year limited warranty (refer to website for more info)
