LED RECESSED DOWNLIGHTING

Reality LED Recessed Downlighting

LED **50,000 HOURS** **3 YEAR WARRANTY** **3000K COLOR TEMP.**

The Reality LED downlight incorporates long-lasting LEDs which provide a warm inviting color temperature comparable to PAR halogen lamps (3000K). Energy consumption is 80% less compared to a standard 60W BR30 lamp. Ideal for commercial and residential applications where sustainability and savings are important.

Model No.	Finish	Dimensions	Lumens
