

SLIM DESIGN

LED Work Light

10,000 Total Lumens with 5ft 18/3 SJTW Power Cord

DETACHABLE

LED Lights are the most efficient and most sought after lighting segment today. Our Century LED Work Lights with the new generation SMD technology (Surface Mounted Device) surpasses all types of LED platforms available on the market. Brighter, versatile, energy saving, and cool the touch, our twin head work lights come with our exclusive, heavy duty camera style tripod that prevents the lights from "sinking".

FEATURES

- Industry leading 5000 lumens output per lamp (10,000 total lumens)
- SMD (Surface Mounted Device) chips are brighter and more energy efficient compared to COB and single chips
- 50,000 Service Life Hours
- Our dual head LED lamps light up to 300 sq ft of work space
- Housing and glass remain "cool to the touch"
- Tempered glass resists impacts, breakage and cracking
- Dual heads can be detached and carried on a portable, tilt-free stand
- Each head rotates and tilts for better light positioning
- Units are shock and vibration resistant
- ETL Listed and ROHS Compliant, contains no mercury
- IP65 Water Resistant case
