## Features and Benefits

- 15A-125V
- Tamper-resistant to meet the child safety requirements of the National Electrical Code®
- Built-in shutters help prevent access by most foreign objects
- Available in 20 popular colors to match any décor
- Once installed, Renu outlets can be updated to a new color by ordering an RKR15 color change kit
- Outlet face easily snaps OFF and ON to change color
- To complete the look, snap on a matching or contrasting Renu screwless wallplate (sold separately)
- Turns the electrical device into a decorative, easily updated accessory
- Shallow size is easy to install in any wallbox
- Self-grounded when installed in a properly grounded metal wallbox
- Back and side wired for fast, easy installation
- Terminals designed to withstand high torque and resist wire pullout
- 20A tamper-resistant outlet is also available
- Use only with Renu wallplates
