#### DESCRIPTION

WAC Lighting Step and Wall Lights are designed to seamlessly blend into any architecture featuring a sleek interchangeable magnetic faceplate with no visible hardware. These luminaires offer enhanced energy-efficient functionality and optimized light output to adequately illuminate stairs, walls and walkways with little or no glare. Light engine is IP66 sealed for both indoor and outdoor applications.

#### FEATURES

- Louvered design offers shielded illumination
- Magnetized design for easy installation and maintenance
- Low profile, flush to wall aesthetics with no visible hardware
- 5 year warranty

#### SPECIFICATIONS

|                        |                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------|
| <b>Construction</b>    | Die-cast corrosion resistant aluminum alloy                                                        |
| <b>Power:</b>          | 3W, 3.5W                                                                                           |
| <b>Input:</b>          | 120 VAC, 277 VAC, 50/60Hz                                                                          |
| <b>Dimming:</b>        | ELV: 100-10%                                                                                       |
| <b>Light Source:</b>   | Integrated LED                                                                                     |
| <b>Rated Life:</b>     | 50,000 Hours                                                                                       |
| <b>Mounting:</b>       | Fits into 2" x 4" J-Box with minimum inside dimensions of 3"L x 2"W x 2.5"D                        |
| <b>Finish:</b>         | Enamel Coated Bronze on Aluminum, Enamel Coated White on Aluminum, Enamel Coated Black on Aluminum |
| <b>Operating Temp:</b> | -40°F to 104°F (-40°C to 40°C)                                                                     |
| <b>Standards:</b>      | ETL, cETL, Wet Location Listed, IP66, ADA, Title 24 JA8 Compliant                                  |

#### REPLACEMENT PARTS

W-4051-120-BK - LED120 Cover Plate BK  
W-4051-120-BZ - LED120 Cover Plate BZ
